

The Grand Island Area Chamber of Commerce Information Technology Committee Adopt-A-Business Application

Purpose: Select a business in the Grand Island area that could benefit from the collective expertise of the Information Technology Committee members to improve their bottom line by implementing new technologies.

Criteria: Willingness to spend time consulting with committee members, and willingness to spend budget dollars on strategies/solutions.

How it works: Through this application process, the Information Technology Committee will select applicants who may benefit the most. Interviews may be conducted to make the final selection. The time and expertise of the Information Technology Committee members will be provided at no cost—they will serve as personal consultants to identify specific and relevant solutions and strategies.

Application Deadline: March 16, 2007
